About Sabert® Sustainability

Our commitment to sustainability reaches beyond our products being recyclable or compostable. It affects how we develop new products, modify existing products, how we package and ship our products, and in how we run our facilities.

We pride ourselves on being a company that doesn't just talk about environmental values and responsibilities, but embodies them through our continued attention to our environmental impact.

Our customers care about sustainability and about the environment. Sabert would like to prove why our food packaging is the right choice.

For more information about Sabert's commitment to sustainability and our products, please visit our website at www.sabert.com or call 1-800-SABERT-1 (722-3781).

Product Material Information

Symbol	Name	Known for	Characteristics*	Temperature Range*
 PETE	Polyethylene Terephthalate	Clarity Strength & Toughness Barrier to Gas & Moisture Heat Resistance	Inexpensive and light weight Crack and crush resistant	0° F - 130° F -17° C - 54° C
 PETE	Crystallized Polyethylene Terephthalate (CPET)	Wide Temperature Range	Break Resistant Withstands freezer temps (-40° F) Withstands oven temps (400° F)	-40° F - 400° F -40° C - 204° C
 PP	Polypropylene	Toughness Versatility Resistance to heat, chemicals, grease & oil	High heat tolerance Can be used under heating lamps and in the microwave	32° F - 220° F 0° C - 104° C
 PS	Polystyrene	Versatility Insulation Clarity	Can be re-used Dishwasher safe (top shelf) Used to make rigid injection molded products	35° F - 180° F 1.7° C - 82° C
P PULP	Molded Fiber (Pulp)	Environmentally Friendly Paperboard look and feel Versatility	Made from annually renewable resources (sugarcane bagasse) Unbleached Compostable in industrial facilities	14° F - 400° F -10° C - 204° C

* All temperatures and characteristics listed are general guidelines. Please test for individual applications.

Thermoforming

Thermoformed products are lightweight, flexible and have a smooth, seamless finish.

Injection Molding

Injection molded products are known for their rigidity and strength. Many are dishwasher safe (top shelf) & can be re-used.

SQUARE & RECTANGULAR PLATTERS

Square platters are 25% more efficient when space saving is important. Squares are more efficient in the refrigerator, case, delivery van and on the table. If you're looking for a more contemporary serving option, squares and rectangles are your perfect match.

Moz.aik® Square Platters

Moz.aik® square platters, available in black and white, offer a sleek, contemporary design. Rigid enough for heavy applications and ideal for special occasions or every day use, these platters are perfect for any application that deserves an extra touch of style and class.

A photograph of a dining table set for a meal. The table is covered with a white tablecloth. In the foreground, a white plate with a silver rim is set on a silver placemat. The plate contains a pomegranate half, green peas, and small red berries. To the right of the plate, silverware (fork, knife, and spoon) is neatly arranged on a green napkin. In the background, another similar set is visible, along with a tall glass of champagne. The overall scene is bright and elegant.

TABLETOP COLLECTION

Our tabletop collection combines the look and functionality of fine china and silverware with the convenience of disposability. With Sabert®, drop-off catering is easier than ever!

Round Plates

Round plates combine the look and functionality of fine china with the convenience of being disposable. Available in black, white or clear, Sabert® makes your catering events even easier.

A photograph of a grocery store display of single-serve square bowls. The bowls are arranged in rows on a black tray. A hand is visible in the foreground, reaching for one of the bowls. The bowls contain various food items, including salads, soups, and other prepared meals. Each bowl has a white label with the 'take it.' logo and product information.

SINGLE SERVE SQUARE BOWLS

Sabert® Bowl² bowls maximize efficiency on shelf - compare five square bowls to four round bowls of the same ounce capacity. Make your food look great while increasing sales per square foot with our single serve square bowls.

Bowl² Bowls

It's efficient to be square! Single serve Bowl² bowls are more efficient on shelf and in cases, and do not sacrifice visibility of food. Available in black and clear, and in a variety of ounce capacities.

FastPac® Round Bowl & Container Lids

Make sure you're packing the right food for your to-go orders! FastPac® clear lids are microwavable, leak resistant and easy to remove with large tabs. Reduce SKUs with one lid that fits multiple bases. For better merchandising appeal, try PET (non-microwavable) lids.
